

NIBA Online Training - now free for NIBA members!

The NIBA Track, Train, Troubleshoot for Heavyweight Belting (3T) and Lightweight Basics (LW) online training classes are designed to add real world value to those involved at every level of the conveyor belting industry. They are now free for all current NIBA members. If you do not have your company specific password, simply email staff@niba.org.

Simply login using the instructions below:

1. Go to: **3T** - niba.org/training/Lightweight-Basics/
LW - niba.org/training/Lightweight-Basics/
2. Scroll down, click "Login Now!"

3. Then enter the following information and click "Log In":
Username: **Your email address**
Password: **Your company's password***
***Need your company's password? Email staff@niba.org.**

4. If this is your first time logging in, the message "Student Account Not Found. Do you Wish to Create a New Account?" will appear. Enter the following information and click "Create New Account":

First Name: **Your first name**
Last Name: **Your last name**
Username: **Your email address**

5. Click "Create New Account" and reenter your login information.
6. To log in again at a later time, use the provided password and your email address as the username.
